

We hope that our partnership with you in these events will continue in the future and maybe we could get together soon and think about the upcoming events particularly the New Year's Day Parade 2012; we now have major winners' titles to uphold!

We have been approached again this year to participate in the St Patrick's Day parade. We will discuss plans with you for a sequel to The Finn Mc Cool and The Salmon. Thank you very much for storing and transporting Finn for us after the parades and he is still in demand for story telling sessions. We learnt so much during those workshops and we will be back again this year. Brent Youth Parliament has also plans to commission workshops before the Respect Festival. They hope to run a competition for young people to identify their favourite space / building in Brent and the winners could come to Mahogany to work on creating artifacts. This would fit in very well with promoting Brent during the Olympics and it would promote an interschool ethos.

Yours sincerely
